What is an easy way ordinary people can help reduce the mosquito population?
Honey Creeping Resource
Wild Card

Would releasing sterile male mosquitoes decrease the chance of a honeycreeper living at a high elevation contracting bird malaria? Why?

2 Tokens
Honey Creeping
Resource
If you were a honeycreeper and wanted to play it safe and completely avoid bird malaria, which elevation would you live at and why?

2 Tokens
Honey Creeping

Resource
If you were a honeycreeper and wanted to produce the most offspring, which elevation would you live at and why?

Wild Card

2 Tokens
What invasive species have led to the reduction of Honeycreepers?
Honey Creeping
What are some ways scientists are intervening and trying to save the honeycreepers?
Resource

Honey Creeping
If the lower elevations of Hawaii had a drier than normal season, would you expect the incidence of bird malaria to increase? Why?
Honey Creeping
What strategies do Hawaiian honeycreepers have for dealing with malaria?
Why are ‘ōhi‘a trees so important in maintaining the honeycreeper population?
Honeypot Creeping Resource
How do Honeycreepers get bird malaria?

1 Token
Honey Creeping
What environmental factors do both the mosquito and the parasite that cause bird malaria depend heavily on to reproduce?
Honey Creeping
Where do the eggs and larvae of mosquitoes develop?
Honey Creeping Resource
If the climate of Hawaii became warmer, what do you predict will happen to the number of birds with malaria. Why?

2 Tokens
Honey Creeping Resource
While vacationing in Hawaii, a mosquito bites you. How would you know if it was a male or female?

1 Token
Honey Creeping
